

Take advantage of those unique opportunities!

Moray College Student Opportunity Fund

Many Moray College UHI students are offered the opportunity to take part in something exciting, something which will help their personal development, build on their knowledge and expand their horizons. For some students these opportunities can be missed due to financial constraints. There is now help available. Students are invited to apply for a grant from the Student Opportunity Fund, which has been established by Moray College UHI specifically for this purpose.

You can apply as an individual or a group.

How to apply

Applications to the fund are open to all registered Moray UHI students. If you would like to make an application to the Student Opportunity Fund, please contact the staff in "The Space". They will tell you if you are eligible and if you are, will provide you with the application form and further details. The application shall be available online also. Your application will only be considered if it includes a signed recommendation from your student advisor.

You will be required to explain how it will benefit your personal development and enhance your student experience at Moray College UHI and if successful to prepare a report on the activity that was funded.

Grants are made entirely at the discretion of the Opportunity Fund Committee, and applicants will be informed of the outcome as soon as it has met.

Moray College UHI hopes that the Student Opportunity Fund will enable more students to achieve their goals and enjoy their experience at Moray College to the full.
